## INVITATION

TO

### ***'2011 International Scilab Open source Software Contest'***

*(Oct 12-14, 2011, University of Science & technology Beijing, Beijing, P.R.China)*

With great pleasure we would like to invite you to participate in this big event, sponsored by LIAMA, Scilab Consortium, INRIA, and University of Science and Technology Beijing. The success of the last nine SCILAB Contests and International Workshops has resulted in wide and significant impact among research institutes and universities throughout the country. The workshop in this year will pursue the spirit of "Freedom, Sharing, and Cooperation", advocate the application of open source software and promote the development of open source software in China.
